

# CANAM

Oakville, Ontario, Canada

## Description

Trumbley & Hampton constructed this efficient, advanced new facility for CANAM, a manufacturer of precision and electronic instruments looking to expand their business. Our Design/Build solution made maximum use of a corner property in Winston Business Park, Oakville, Ontario. Based on our performance, the client contracted us to construct an addition to the facility seven years later. The architectural design ensured that the addition blended perfectly with the original building.

## End Use

Manufacturing

## Building Size

14,000 sf

## Special Features

- economical metal cladding construction
- extensive street landscaping for prominent corner property
