

Community Head Injury Resource Services

Toronto, Ontario, Canada

Description

Trumbley & Hampton met strict site plan controls with this four storey facility in Toronto, fronting on Finch Avenue near Yonge Street while backing onto a quiet, mature neighbourhood. The Owner revised their occupancy programme during construction to require residential units on the two top floors. Trumbley & Hampton provided the structural and mechanical changes required to meet Code requirements during the construction without delaying the schedule. The building features unique interior finishes and features a landscaped roof garden.

End Use

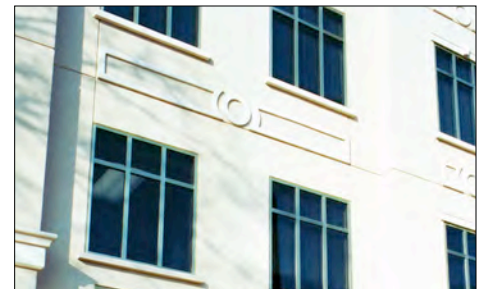

Medical Rehabilitation

Building Size

26,000 sf

Special Features

- exterior insulation finish system (EIFS)
- rooftop gardens
- streetscaping
- vibrant interior designs
