

Cedar Grove School*

Mississauga, Ontario, Canada

Description

Relying on tried and proven conventional design wisdom, Trumbley & Hampton were successful with their Design/Build proposal for this 60,000sf school facility in Mississauga, Ontario. The structure consists of double wythe exterior load bearing masonry with load bearing masonry corridors supporting precast concrete floors. The classrooms and laboratories are fully finished along with a combination gymnasium and auditorium. An attractive entrance lobby welcomes parents and guests.

*Renamed to "Olive Grove School" after change of management.

End Use

Public School

Building Size

60,000 sf
