

Due to the prominent location of this site on Hurontario Street in Mississauga, the Site Plan Approval process for this project was extensive. The completed project will provide for up to five tenants in a 10,000 square foot commercial plaza facing Hurontario Street. The structure will feature architectural sloping metal roofs over parchment precast with extensive windows. The street corner will have native planting in front of an architectural accent wall.

For information regarding leasing opportunities, call Frazer Mitchell 905-793-5000.
